“How do you manage your debt collection?”

Q : Why should I use you when I have my panel lawyers and internal credit control mechanisms?

A : We are providing our professional service to many world-class corporations. These companies have dedicated collection department staffed by highly qualified personnel. Yet there are some steps that they either cannot or do not wish to undertake. For example, after office hour visits to debtors' residential addresses skip tracing procedures that are not readily available to the public, etc. We are providing a service that is used successfully for a decade by these companies, whom which have strict credit policies to farm out only the most difficult and uncollectable cases.

Q : How do you do with my cases?

A : Collection Officer will study the documents and case histories provided by client. Letter will be sent out within 48 hours. Skip tracing and telephone call conducted. State-of-the-art computer software assists to monitor case & ensures regular follow-ups. Whenever necessary. Site Visit will be conducted. Monthly reports sent to client. Senior Management Staff may involve in high value and sensitive cases.

Q : How do I sign up?

A : All you need to do is to sign on the Subscription Agreement and forward us a copy of the Statement of Accounts and invoices pertaining to the cases. Alternatively, you may give us a call, our representatives will be happy to visit and guide you on how to convert your debts to cash.

“How do you manage your debt collection?”

Collecting your debts can be costly during an economic crisis and stressful. Your recovery actions usually will incur additional costs. Your time taken as well as the payout cost you money.

“Lost Money, Waste Time, Strain”

They are costing you money.
Your money that you should be using to advance your business.
